

The Hotel Cairns

The Hotel Cairns with its impeccably private and tropical ambience is superbly situated in the heart of Cairns, one block from the famous Esplanade.

Architecturally designed, the facade is one of the most beautiful examples of Queensland heritage, and is a popular talking point among many of the hotel's visitors and guests. Set back from the street and well shaded by tropical trees and plants the hotel boasts a tourist information service, an outdoor pool and spa, function rooms, onsite carpark and restaurant.

The Hotel Cairns is also very reasonably priced and as such is always buzzing with activity.

The Hotel Cairns is conveniently located just 10 minutes drive from the Airport, and an easy 5 minutes walking distance to shops and eateries.
